

Ever wondered what these growths are on trees and rocks? Are they plants? Mosses? Creatures? Come find out!

Likin LICHENS

Date: Saturday, May 19, 2018

Time: 10:00—11:30 AM

Place: FKOC Lodge and Trails

- ★ **If possible, a hand lens or magnifying glasses and a lichen field guide; microscopes will be available in the lodge following the walk.**
- ★ **We will be walking on paved and unpaved trails and in nearby woods.**
- ★ **Come prepared for any weather—this event will be held rain or shine.**
- ★ **Open to all community members, free of charge.**

Please RSVP to Laura Audibert at La4568@roadrunner.com so we can get a headcount.
